Doodlebops Rockin' Out Keytar (Guitar)

With the Doodlebops superstar keytar, kids can be Deedee and play along with Rooney and Moe as part of the band. Make music and play the superstar keytar, featuring 12 different sounds and phrases. Plays 5 Doodlebop tunes too! Deedee's superstar Keytar from Mattel is a Ty's Toy Box exclusive. Requires 3 AG13 (LR44) button-cell batteries, included. Ages 3 and up. [Click here for more details!](#) Currently out of stock.

Dog Days: Starring Otis (Hardcover)

Otis, the affable brown-and-white pup with long, floppy ears, first introduced in Dog Eared, is dismayed when his owner, Lucy, unexpectedly comes home with a new kitten. Lucy and her little sister are so taken with the "meowing fluff ball" that they completely forget to give Otis his breakfast or brush his fur. In fact, they don't even notice when Otis takes off on his own. Out on the town, Otis misbehaves for a while, nosing about in garbage cans and chasing cats. [Click here for more details!](#) **Get it for 50000 points!**

Williams Sonoma Kids Baking (Spiral-bound)

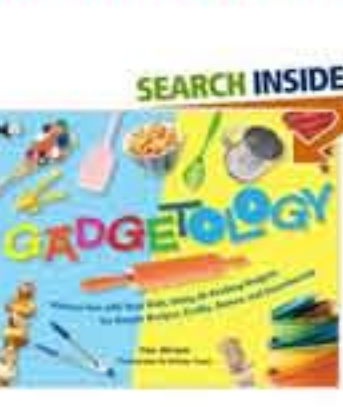

Kid's Baking teaches basic baking techniques through fun, delicious recipes that range from easy to challenging making this a cookbook they can use for many years. Kids are taught the importance of being organized, how to cream butter and sugar, how to whip egg whites, how to peel and core fruit, and how to tell when foods are done baking. Baking terms are defined in a glossary for easy reference. A visual glossary of basic baking equipment is also included. Kid's Baking encourages exploration in the kitchen and teaches kids skills they will never outgrow. [Click here for more details!](#) Currently out of stock.

The Kid's Cookbook: A Great Book for Kids Who Love to Cook! (Williams-Sonoma Lifestyles) (Spiral-bound)

Designed especially for kids ages 9 and up, The Kids Cookbook is packed with kid-friendly recipes-and great photos to match. Each recipe includes an equipment list and all instruction young cooks need to have a great time whipping up something delicious. [Click here for more details!](#) Currently out of stock.

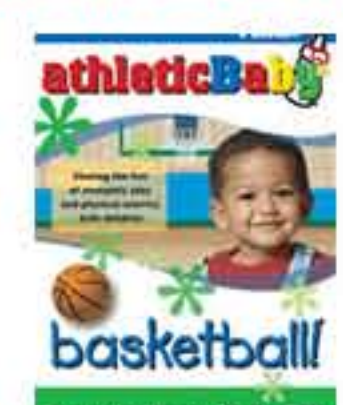

Gadgetology (Hardcover)

Getting your children involved in the kitchen at a young age is an exciting way to spend time together and teach them about nutrition, mathematics, measurements, history, and different types of food. Gadgetology makes it fun; your children will love using grown-up gadgets from an apple peeler to a whisk to play games, try simple recipes, make crafts, and conduct fun experiments. A box grater is handy for shredding mozzarella to make Super Easy Lasagna, but it's also great for shredding crayons onto wax paper to be ironed into "stained glass." You can also turn leftover walnut shells cracked with a nutcracker for Fudgy Walnut Brownies into perfect miniature sailboats. In Gadgetology, Pam Abrams offers so many creative, stimulating, and safe uses for everyday gadgets that the kitchen will become an educational playground for your whole family. [Click here](#)
